School in Lincoln and surrounding counties will soon be underway, and there are still many children who need their school/sports physicals and immunizations. Clinic with a Heart will be offering two free school physical clinics which include medical, dental and vision screenings. In addition, the Lincoln Lancaster County Health Department will also be present providing free immunizations.

These clinics are being sponsored by Southwood Lutheran Church:

Date: Saturdays, August 12 & 19

Time: 8:30-11:00 a.m.

Place: Clinic with a Heart, 1701 S. 17th St., Suite 4G (lower level)

Patients will be seen on a first-come, first-serve basis. Space is limited. Children must be accompanied by a parent or legal guardian. The parent or guardian should bring the child's immunization record if immunizations are needed.

School Physicals are also offered during any Tuesday/Thursday walk in clinic but immunizations are not available at these clinics. These clinics begin at 4:00 p.m.
